Communautés
Gatineau Ouest

Born of an association (2016) between GESTE and the Comité des partenaires des secteurs Le Baron et Pointe-Gatineau, Communautés Gatineau Ouest (cGO) is a community stakeholder roundtable that promotes and supports community solidarity.

At the request of partners, a Resource Directory has been maintained and kept up to date for many years.

More recently, through the Settlement and Integration Committee, these partners have sought to develop a communication tool to promote available resources for West Gatineau residents. Special attention has been paid to making the tool simpler and easier to use for newcomer families.

We would also take this occasion to invite you to join the Settlement and Integration Committee. We have provided contact information below for cGO team members.

Happy reading, and thank you for sharing this tool with those it could benefit.
